

# Plastic Welding Rod

## *Time Tested Experience*

Do Not take a chance on a failed weld. We will match your parent material and extrude from virgin resins a welding rod to meet or exceed your application requirements.

### **Available Materials**

Acrylic, PA, PC, CA, CAB, PVC, HDPE,  
HMW, LDPE, LLDPE, ULLDPE, MDPE,  
HPP, CPP, TPU, PETG, ABS, HIPS, FPVC,  
PVDF, Kydex and More

### **Time Tested Welds**
